HOWZIT- Hazy IPA

ABV 7%

Distro Price - 1/2bbl -\$199; 1/6bbl - \$99

Howzit is a hazy IPA brewed and dry hopped with a generous amount of Citra, Mosaic, and El Dorado hops. In Hawaii, "howzit" is a phrase used most often as a greeting meaning "How is it going?" or "How is everything?" Raise a glass and say "Howzit" to your neighbor. And if you want to be super cool, you could say "Howzit, braddah" meaning "How's it going, brother?" *

ISLAND TIME- Coconut Brown Ale

ABV 6%

Distro Price - 1/2bbl -\$175; 1/6bbl - \$75

Island Time is a taste of the tropics in a glass. This light, refreshing brown ale was infused with real coconut to make it a fun, summer time beer. Go ahead and pour this beer, sit back, relax in the tasting room or on the tiki patio, because you're now on Island Time! **** Gluten-reduced**

MANAKO - American Wheat with Mango

ABV 5.5%

Distro Price - 1/2bbl -\$199; 1/6bbl - \$99

Manako (pronounced mah-nah-KO), meaning mango in Hawaiian, is an American wheat ale infused with mango and is a bestseller at Ono Brewing Company in Chantilly. Manako brings the spirit of the tropics to the brewery's tropical tasting room. This beer will inspire you to dream of or think back to a day spent relaxing at a beach, with a warm breeze blowing, Island music playing, and a cold drink in hand. *

PIPELINE - Pilsner

ABV 5.5%

Distro Price - 1/2bbl -\$194; 1/6bbl - TBD

Pipeline Pilsner is a pale lager with a crisp, refreshing taste that's lightly hopped with traditional noble style hops. A Pipeline is known for huge waves that break in shallow water just above a sharp and cavernous reef, forming large, hollow, thick curls of water that surfers can tube ride. The Banzai Pipeline on the Northshore of Oahu is one of the most famous and most deadly pipeline waves in the world.

SEASONAL/ROTATOR BEERS AVAILABLE NOW or VERY SOON:

BANANA HAMMOCK- Hefeweizen

ABV 5.0%

Distro Price - 1/2bbl -\$192; 1/6bbl - \$89

Banana Hammock is a hefeweizen, which is a classic German style beer. Hefe (yeast) Weizen (wheat) is of German origin and traditionally means an unfiltered wheat beer with yeast in it. Banana Hammock is brewed with Virginia-grown wheat and the fruity (banana) and phenolic (clove) aroma comes largely from the yeast. Banana Hammock was brewed intentionally to pull out more of those banana flavors from the yeast. Enjoy!

BERRY ONO- Raspberry Lime- Hard Seltzer

ABV 5.5%

Distro Price - 1/2bbl -\$192; 1/6bbl -

Berry Ono is a malt-based, craft hard seltzer that was infused with real raspberry puree and lime juice. Berry Ono is a refreshing and low cal/low carb option (125 calories and 6.5g carbs per 12oz). Ono means “delicious” in Hawaiian, so “Berry Ono” is so very (berry) delicious!

HULI PAU - Märzen/Okttoberfest -

ABV 6.5%

Distro Price - 1/2bbl -TBD; 1/6bbl - TBD

Huli Pau is our Märzen/Okttoberfest Lager brewed in commemoration of the world’s largest beer festival. A Märzen was traditionally brewed in March (**Märzen**) and is a pale to reddish brown lager, with medium to low maltiness, and a mild hop character. In Germany, it is common to make a toast at Oktoberfest and yell “Prost” which is German for “Cheers!” The Hawaiian phrase for cheers is “Huli Pau”, pronounced hoo-lee pow, which means “good health”. Pour yourself a pint, toast your neighbor, and say “Huli Pau!” (ABV 5.5% IBU 25)

HURRICANE IVAN- DIPA LOW INVENTORY!!

ABV 8%

Distro Price - 1/2bbl - ; 1/6bbl - \$104

Hazy Ivan is a DIPA hopped with cryo Idaho 7 and cryo Simcoe hops. Hurricane Ivan was nicknamed Crazy Ivan because it hit the US 3 different times so we nicknamed the Hurricane Ivan beer Hazy Ivan ! Hazy Ivan is a malty, citrusy, and very drinkable DIPA.

JACK-O - Pumpkin Ale fall release COMING in SEPTEMBER

ABV 6% IBU 15

Distro Price - 1/2bbl -TBD; 1/6bbl - TBD

Our Jack-O pumpkin ale is a light bodied ale with caramel and red malts selected to give it a slightly orange hue, just like a Jack-o-lantern. Brewed with cinnamon, nutmeg, ginger and real pumpkin, this beer tastes like pumpkin pie in a glass!

OHANA- Hazy Session IPA

ABV 5% IBU 30

Distro Price - 1/2bbl -\$192; 1/6bbl - \$89

Ohana is a juicy, crushable session IPA brewed with Chinook and Simcoe Cryo Hops and dry-hopped with Mosaic Cryo hops, El Dorado, and Chinook. Ohana means “family” in Hawaiian. At Ono Brewing Company, we welcome everyone as part of our Ono Ohana.

PADDLE OUT - IPA

ABV 7.5% IBU 35

Distro Price - 1/2bbl -TBD; 1/6bbl - \$104

Paddle Out is a tropical, easy drinking IPA brewed and dry hopped with El Dorado and Azacca lupulin hops. This particular hop blend brings out notes of mango, pineapple, citrus and other tropical flavors making this beer the perfect inspiration to grab your surfboard and Paddle Out into the ocean to catch the next wave!

RED CORAL- Irish Red Ale

ABV 5.6%

Distro Price - 1/2bbl -\$175; 1/6bbl - \$75

Red Coral is a traditional Irish-style red ale brewed with a moderate amount of kilned malts and roasted barley, which gives the beer the color for which it is named. This typically amber-colored beer is brewed at a slightly cooler temperature to help dry out the beer's finish and lessen the body. The roasted barley provides the beer with low roasted notes, darker color and gives it a tan collar of foam on top. With light notes of caramel, and toffee this beer is a perfect spring beer. Red Coral is found in ocean depths of approximately 500 to 1,000 feet, and it grows only about 1/4 inch per year, making it a highly treasured gemstone in Hawaii and around the world. With light notes of caramel, and toffee enjoy this treasure of a beer.

RIPTIDE - IPA

ABV 5.5%

Distro Price - 1/2bbl -\$175; 1/6bbl - \$75

Riptide is a west coast IPA that was given a late hop burst with Cascade, Amarillo and Citra hops and was then dry hopped with a blend of Amarillo and Citra. Riptides are strong ocean currents caused by tidal flow in confined areas such as inlets and can pull swimmers or boaters out to sea quickly. Get swept away by the full flavor of Riptide IPA. **** Gluten- reduced**

SUNSET- Black Lager LOW AVAILABILITY

ABV 5.25%

Distro Price - 1/2bbl -\$164; 1/6bbl - \$75

This traditional black lager provides flavors of rich chocolate and lightly toasted grain. We used de-husked barley in this beer to maintain the smoothness and light body you would expect from a german lager while avoiding the bitterness and astringency associated with dark beers.

****Gluten-reduced**

TSUNAMI - Wet hop IPA September release

ABV 5.5% IBU 46

Distro Price - 1/2bbl -TBD; 1/6bbl - TBD please inquire

From farm to beer to glass! We partnered locally with Hoppy Trails Farm in Scottsville, VA this year to brew a super drinkable wet hop beer. We added plenty of Cascade and Centennial in every step of the brew. Hoppy Trails Farm Cascade hops were sweet and earthy with lots of lupulon oils in the center. Full flavor of pine and dank citrus make for a tasty easy drinking pale ale.

BEACH BREAK- Scottish Ale

ABV 4.7%

Distro Price - 1/2bbl -\$175; 1/6bbl - \$75

This low ABV Scottish ale is packed with malt flavors reminiscent of the Scottish countryside. Toasted biscuits, black tea, freshly milled grain, crusty artisan bread, and chocolate notes all make this a complex yet easy drinking beer. Pairs perfectly with a good book and a warm blanket on a chilly winter afternoon. ****Gluten-reduced**

BIG KAHUNA (LUPULIN)- DIPA

ABV 9.25%

Distro Price TBD Please inquire

Big Kahuna is a new version of an old favorite brewed with a different hop variety. Big Kahuna is a double IPA brewed with Mosaic and Calypso Hops, and dry hopped with Calypso and BRU-1 Hops. All the hops used in this brew were Lupulin Pellets. Lupulin are small yellow glands inside the hop cone that contain alpha acid and essential oils. In lupulin pellets these glands are separated from the rest of the cone to provide a higher concentrated pellet with less vegetal matter, boosting aroma and flavor. Big Kahuna means "the boss" in Hawaii. This beer is the boss on citrusy flavors, and on alcohol content at Ono Brewing in Chantilly!

ISLAND HOPPER- IPA

ABV 7%

Distro Price - 1/2bbl -\$206; 1/6bbl - \$104

Brewed with a specialty blend of hops known as Citiva, as well as some old favorites to give this IPA a flavor profile that includes dark cherry, fig, and fresh peach. A specialty german malt and plenty of oats give the beer a malty base to support the stone fruit flavors provided by the hops, as well as keep the bitterness at a low level that is often associated with much lighter IPAs.

KU'UIPO CARAMEL COFFEE PORTER

ABV 7%

Distro Price - 1/2bbl -\$119; 1/6bbl - \$220

Ku'uipo means sweetheart in Hawaiian, and this caramel-esspresso porter will definitely have you falling in love. We used whole espresso beans and a blend of specialty malts to provide rich coffee and chocolate flavors that are accented by sweet caramel. Enjoy a pint of Ku'uipo alone or with your sweetheart.

LANAI - Vienna Lager- spring release (Out of stock)

ABV 5.3% IBU 24

Lanai Lager is a Vienna Lager, which is a malt-forward lager with malty aroma and light malt sweetness. It was brewed and dry-hopped with Saaz hops which provide just enough hop bitterness to balance the malt's sweetness without overshadowing the flavor. A "lanai" is the Hawaiian word for patio or balcony. This is the perfect beer to enjoy on a spring day out on the lanai.

VAQUERO- Mexican Lager

ABV 5.5%

Distro Price - 1/2bbl -\$175; 1/6bbl - \$75

Vaquero is a malt forward, light bodied lager first brewed in Mexico in the late 1800's. We have recreated this beer using corn, agave, and traditional German yeast. Vaquero is a crisp and balanced beer with lingering flavors of maize and agave making Vaquero an easy drinking yet full flavored beer equally suited for cool spring nights and hot summer days. Vaqueros are Mexican cowboys. King Kamehameha III invited Vaqueros to Hawaii in the 1800's to train Hawaiian cowboys called "Paniolo". ****Gluten reduced**

YUHU- Chocolate Milk Stout

ABV 6.9%

Distro Price - 1/2bbl -\$220; 1/6bbl - \$118

Yuhu (pronounced you-who), is a lip-smackingly good chocolate milk stout with rich chocolate flavor and caramel notes. Yuhu was brewed in collaboration with River-Sea Chocolates, the chocolate factory next door to Ono Brewing Company, and was brewed with lactose and over 80 pounds of Brazilian cacao husks and nibs. River-Sea Chocolates imported the cacao for use in their craft chocolate bars. ****Gluten-reduced**

***Ono Brewing uses Virginia-grown wheat and oats in all beers containing wheat and/or oats.**

**** Gluten reduced- Fermented with Brewers Clarex® which effectively removes gluten from the beer. It is not "gluten-free" but the makers of Brewers Clarex® claim significant gluten reduction with proper use. We encourage those with gluten sensitivities to research Brewers Clarex**
