

Assistant Brewer Job Description

Ono Brewing Company in Chantilly, VA is looking for a part-time assistant brewer. We are growing and recently acquired a second location to help meet increased demand for Ono beer. Hours are flexible but candidate must have some availability during weekday day shift. The best candidate is a person with at least 6 months of background experience in brewery operations, however, a strong desire to learn and willingness to work hard could warrant consideration with less experience. We will partner with the right candidate to provide training as necessary.

Duties & Responsibilities include but are not limited to:

- Report directly to our Head Brewer and will be actively involved in all facets of the day-to-day operation.
- Receiving raw ingredients
- Milling
- Basic brewhouse operation
- Quality assurance
- Cellar work including beer transfer, filtration, and carbonation
- Operating keg washer
- Cleaning, sanitation, and maintenance of brewhouse equipment and cellars
- Sanitizing of tanks, filter equipment, hoses, etc
- Proper handling of chemicals required for sanitization and cleaning of equipment
- Understanding and practicing all internal safety standards

Requirements:

- Passion for all things craft beer with a focus on the local community
- Strong work ethic
- Ability to work both independently and within a team, with minimal supervision
- Ability to be on feet all day and able to lift 55+ lbs regularly
- Comfortable working with chemicals and willingness to adhere to safety, environmental and brewhouse standards at all times
- Good troubleshooting skills, and strong mechanical/electrical aptitude
- Good written and verbal communication skills
- 1+ Year previous experience at a brewery as an assistant brewer, brewer, or cellarman is preferred but not required
- Degree or background in biology, chemistry or engineering is a bonus but not required

Compensation: Compensation is commensurate with experience. \$14-18/hr
